Precept: The Clerk reported that an error had been found in one of the figures used to calculate precept at the previous meeting, which meant that this extraordinary meeting needed to be called. After considering the correct figures, the Members unanimously decided to set a precept at £20,000.

For Information

Complaint to the Welsh Language Commissioner regarding Scrutiny Wales: The Council received and noted the Welsh Language Commissioner's Notice of Decision (CS1329), which found that Scrutiny Wales had failed to comply with Standards 1 and 2 by repeatedly reporting in English despite the Council's stated choice to receive correspondence in Welsh. The Commissioner upheld the Council's complaint in full and has required Audit Wales to take corrective action, including reminding staff, training, and better procedures for recording and following language choice.
